Youth of our nation is our future and is going to be the greatest asset we have while we march through the centenary 'Amrit Kaal' period of Bharat until 2047. Youth is also the torchbearer of a unified Bharat where our culture, ethics and 'all-embracing' values of "Vasudhaiva Kutumbakam (वसुधैव कुटुम्बकं)" are preserved. And so, it's very important to ensure that our youth is well connected and educated into our ancient roots and wisdoms, while the spirit of "Atmanirbhar Bharat (आत्मनिर्भर भारत)" is ignited in their hearts and minds. That is possible only if our youth realises and takes pride in the ethos and glory of "Mera Bharat Mahaan (मेरा भारत महान)" accomplishments. And, indeed our youth will play a key "Bharat-Bhagya-Vidhata" role in transforming our Bharat into a World leader ('Vishwa Guru').

'Youth4Nation' is a nationwide initiative to trigger and awaken the youth primarily in the colleges and universities, with a mission to inculcate a 'Nation First Always and Every Time (राष्ट्र प्रथम सदैव एवं सर्वदा)' mindset in the youth of Bharat, and to instill pride in their young minds about our great culture, history, heritage, philosophy and the great strides that Bharat is making in the modern times.
